

PRODUCT DATA AND APPLICATION SHEET

PRODUCT NAME: Modular Contactors

PRODUCT CODE: MC120, MC220, MC240, MC440, MC463

DESCRIPTION: Din Rail Mounted Modular Contactors 240V

FEATURES

- Easily Mounted onto din rail
- Power ratings 20, 40, 63
- Number of poles: 1P, 2P, and 4P
- Compliance with standards: IEC61095
- Control and Monitoring of Electrical circuits in all industrial, commercial & residential buildings.
- Control and monitoring of single or three-phase loads up to 63amp.
- Interface between the control gear & power circuits for final circuits such as lighting, watering system, ovens, utility motors ventilation, heat pump etc.

Item	Pole	Amp	N/O or N/C
MC120	1 Pole	20amp	1 N/O
MC220	2 Pole	20amp	2 N/O
MC240	2 Pole	40amp	2 N/O
MC440 – NC	4 Pole	40amp	4 N/C
MC440 – N/O	4 Pole	40amp	4 N/O
MC463	4 Pole	63amp	4 N/O
